Dear Dr Mayer

Request for information on research application R0158

Thank you for your letter requesting the disclosure of information regarding the above research applications under the Code of Practice on Access to Government Information.

I have enclosed copies of the application form for research R0158, the accompanying patient information and consent forms as well as the anonymised opinions of the peer reviewers and the centre's response to the issues raised by the reviewers.

Yours sincerely

Dr Chris O'Toole
Head of Research Regulation
